For Immediate Release

USSI RECEIVES RENEWAL OF THE ISO 9001:2000 REGISTRATION

MELBOURNE, FL October 27, 2006 - United Service Source, Inc. a leader in field maintenance and system integration for multiple technology markets including commercial communication systems, government weather, consumer sites, digital media and broadcast host locations received the renewal registration for ISO 9001:2000.

USSI is delighted to announce that it has successfully completed all necessary requirements of the ISO 9001:2000 quality standard. The organization has been awarded registration to the internationally recognized ISO 9001:2000 standard through a third party independent auditor. The registration solidifies our commitment to high quality services to meet and/or exceed our internal and external clients' expectations and to demonstrate our drive for continual improvement.

We are very proud of all of our staff for their efforts and support. In order for USSI to continue to achieve this milestone, it is an effort by all.

USSI has been a registered since 2001 as an ISO 9001 organization. As an organization we are committed to our quality system today and look forward to our future of continual improvement.

Additional details regarding USSI are available at www.USSI.org
