

United Service Source, Inc.

For Immediate Release

UNITED SERVICE SOURCE EARNS HIGH MARKS

MELBOURNE, FL January 9, 2006 - United Service Source Inc. (USSSI) in Melbourne, a VSAT service provider specializing in deployment, maintenance and site support in the commercial communications arena, has successfully completed its biannual assessment for ISO 9001:2000 compliancy. USSSI has been an ISO certified company since October 2001.

"We are extremely pleased to provide our services to all our customers following tried, proven, and certified processes," said Kelly Rich, USSSI vice-president of operations. Since its inception in 1985, USSSI has developed industry-leading communication tools for real-time data management. The company is considering pursuing both the Florida Sterling Award of Excellence, and the Malcolm Baldrige Award.

Additional details regarding USSSI are available at www.USSI.org
